

Dear Partners, Suppliers,

Khanh Viet Corporation Limited (Khatoco) is a State-owned enterprise under the People's Committee of Khanh Hoa province. Over 40 years of construction and development, today Khanh Viet Corporation Limited has developed into a big corporation operating under the model of parent company – subsidiaries, a multi-industry business. In which, the tobacco industry is the main and core business, with a closed production chain from investing in tobacco leaf growing areas, threshing tobacco leaf, processing tobacco leaf to producing and distributing cigarettes supplying to the domestic and international market. We are one of the top four tobacco manufacturers in Vietnam.

In order to meet the production requirements, we have an annual demand for purchasing tobacco leave materials and non-tobacco materials, including:

- Tobacco leave materials (including tobacco leaves and stems) from countries such as Brazil, Zimbabwe, Bangladesh, Malawi, Bulgaria, Cambodia, China, Philippines, Vietnam, . . .
- Non-tobacco materials: Cellulose acetate tow; Filter rod; Printing ink; Flavor&Casing for cigarettes; Chemicals (Glycerin, Propylene Glycol, Triacetin, Ethanol); Cigarette paper; Plug wrap paper; Tipping paper; Aluminum foil; Inner frame; Hinged-lid blank; Outer-carton; Corrugated carton; Cigarette seam glue; Tipping glue; Packing glue; Hotmelt; High shrink BOPP film; Naked wrap BOPP film; Tear tape; Plastic bag; Case tape, . . .

We look forward to establishing relationships with Partners and Suppliers both domestically and internationally.

Sincerely yours!
